

ACTION STATIONS

> GIVE THEM the WORLD

Providing choices is important. Making them exciting is a must. With a Nestlé Professional® International Soup and Noodle Bar, you can deliver on both. More and more students are demanding flavors from around the world. From Indian to Mexican to Creole, you can inspire and expand your offerings while increasing profitability and enticing students with the unexpected.

> EXPLORATION with CUSTOMIZATION

Nestlé Professional soup bases and sauces are the foundation of popular savory soups and noodle bowls that invite students to create their own flavor experience. Simply prep the broth and feature complementary ingredients in your action station for customizable combinations they won't forget.
